**PROFIT WARNING**

This announcement is made pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of DLC Asia Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the Group’s unaudited management accounts for the nine months ended 31 December 2018 (the “**Period**”) and information currently available to the Board, by excluding the non-recurring listing expenses, the Group is expected to record a net profit after tax of approximately HK\$4.4 million for the Period, representing a decrease of approximately 56.4%, over the corresponding period of approximately HK\$10.1 million in 2017. Based on the information currently available to the Board, the Board considers that the decrease of adjusted net profit after tax for the Group was mainly attributable to the decrease in revenue and the increase in other operating expenses during the Period.

As the Company is still in the process of finalising the unaudited consolidated financial statement for the Period, the information contained in this announcement is only a preliminary assessment made by the Board based on the information currently available and such information has not been audited or reviewed by neither the Company’s auditor nor the audit committee of the Company and may be subject to adjustments. Details of the Group’s financial information for the Period will be disclosed in the quarterly results announcement of the Company, which is expected to be published in late January 2019. In addition, the actual results of the Group for the year ending 31 March 2019 may be different from those disclosed herein. Shareholders and potential investors are advised to read the annual results announcement of the Company, which is expected to be published before end of June 2019.
